CHEDDAR CHEESE CURDS AND CRUMBLES

From the Cheese Curd Capital, Ellsworth Cooperative Creamery Natural White Cheddar Cheese Curds taste like no other because they are crafted with only farmer-certified rBST free milk from our 300+ family farms throughout Wisconsin and Minnesota.

Cut for the best usable size with very little fines. Processed to allow for the best stretch and melt. The five pound packaging process produces the freshest tasting curds with a shelf life that is 270 days when kept refrigerated and unopened. The oxygen is taken out of the bags - yet the cheese remains loosely packaged. Ellsworth Cheese Curds are chilled but never frozen. The longer the cheese remains inside the sealed/unopened package the more enriched the cheddar flavor becomes.

The health-conscious consumer will appreciate they are high in calcium and protein, contain no added sugars, no carbs, zero trans fats, and are gluten free.

- 5 pound bulk sealed curds (Natural, Cajun, Garlic, Ranch, Taco, Hickory Bacon, and Hot Buffalo flavors)
