NATURAL CHEDDAR CHEESE CURDS

Single Serving NATURAL CHEDDAR CHEESE CURDS

From the Cheese Curd Capital of Wisconsin, Ellsworth Cooperative Creamery's Natural White Cheddar Cheese Curds, now available in a convenient 2oz single serving size.

Crafted using farmer certified rBST free milk from our 300+ family farms throughout Wisconsin and Minnesota, the health-conscious consumer will appreciate this nutritious grab 'n go snack option. High in calcium and protein, Natural Cheddar Cheese Curds contain no added sugars, no carbs, zero trans fats, and are gluten free.

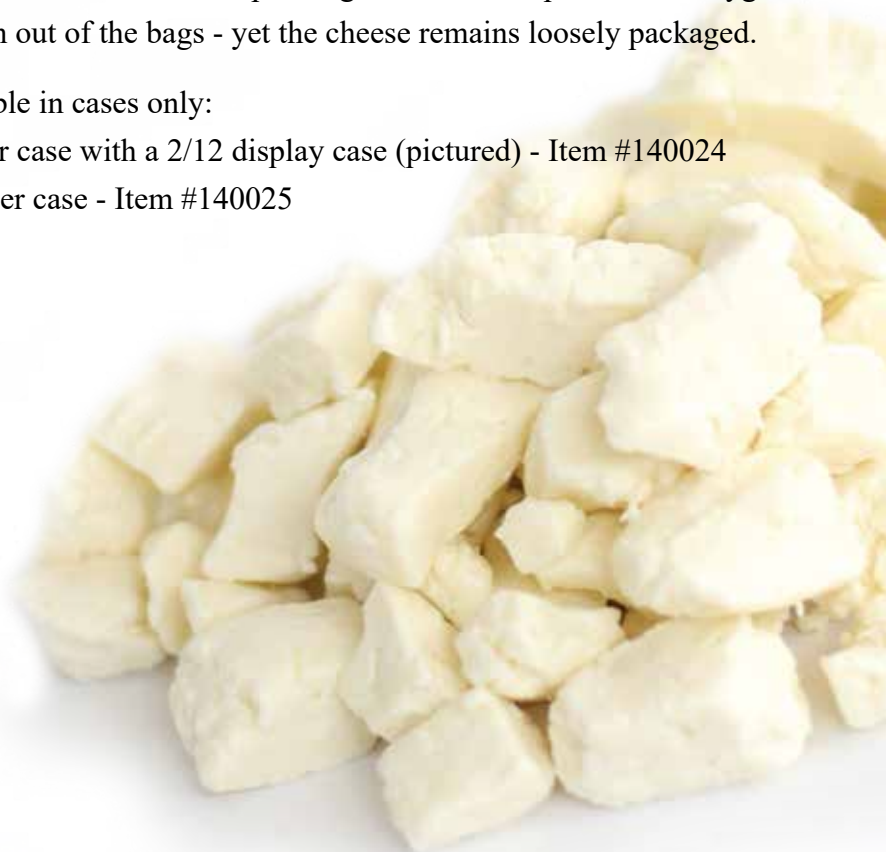

- Perfect for busy families; they'll want to keep their refrigerator well stocked for a week's worth of lunches.
- An ideal impulse item for deli/convenience store counters, our Natural White Cheddar Cheese Curds make a wholesome and great tasting snack or lunchtime add-on and a healthier alternative to chips for low-carb eaters.
- Additional uses: vending machines, meal kits, and box lunches.

Branded packaging tells your consumer you're offering them the finest cheese curds from Wisconsin. Our unique packaging process produces the freshest tasting curds, tested to have a shelf life that exceeds 6 months when kept refrigerated and unopened. The oxygen is taken out of the bags - yet the cheese remains loosely packaged.

Available in cases only:

- 24 per case with a 2/12 display case (pictured) - Item #140024
- 100 per case - Item #140025
