

FREEZE-DRIED

Cheddar Curd Crunchers

Cheddar Curd Crunchers

You love the squeak, now love the crunch! Cheddar Curd Crunchers are made by freeze-drying our world-famous fresh cheddar cheese curds transforming them into a crunchy snack. A convenient, **shelf-stable**, and healthy option for the on-the-go consumer.

The health-conscious customer will appreciate they are high in calcium and protein, contain no added sugars, low carbs, zero trans fats, and are gluten-free. **No refrigeration** means Cheddar Curd Crunchers can go anywhere you go.
