FROZEN BEER-BATTERED CHEESE CURDS

- Our famous white cheddar cheese curds are coated with an exclusive beer batter made with a local Wisconsin lager and then frozen, which allows for a quick deep fry in any size kitchen.
- Perfect for kitchens that want from-scratch quality but do not have time to batter their own fresh curds for deep frying.
- Cheese Curds are a favorite appetizer in the Midwest, and are growing in popularity nationally.
- Serve them up as a stand-alone appetizer or incorporate them into numerous menu items.

Available in a 4/2.5 pound case.
